

SPRING 10-11 TROY HIGH ATHLETIC NEWS AND INFORMATION

Participation in sports in the Troy School District is a privilege, not a right. Hard work, dedication, and a desire to compete are essential in being successful in athletics. Troy High offers 26 varsity and sub-varsity sports for those interested in interscholastic athletics. We strongly encourage students new to Troy High to get involved in sports. Research has proven that students perform better in the classroom when participating in athletics.

Below is a list of the spring sports and contact numbers of the coaches. If you have any questions about the program, please contact the appropriate coach. We are looking forward to an exciting spring season and hope you will join us in a positive and fun environment. **The official MHSAA practices in the spring begin: March 14.** All athletes MUST have a physical and emergency card completed and signed prior to try outs. Both must be presented to the coach before they may try out for any team. NO EXCEPTIONS.
